

Shipping Costs to International Destinations

Based on a 20lb package with dimensions of 45"x18"x8" - Dimensional Weight is approximately 40-41 lbs.

PMEI = Priority Mail Express International -- **PMI** = Priority Mail International

If there is a number in the **GXG Code** this indicates that this is the only method of transport with associated cost

This list was compiled manually by Richard F. Sayage as of February 2014

Country	GXG Code	Time	PO Price	OnLine
